ANNOUNCEMENT

SPEECH LANGUAGE PATHOLOGISTS AND AUDIOLOGISTS TO RECEIVE STATUTORY REGULATION IN ONTARIO

OSHA is pleased to announce that following three years of negotiations with the Health Professions Legislation review, Speech Language Pathologists and Audiologists in Ontario have been designated as eligible for statutory regulation. This brings to a close phase 1 of the review which had to determine from over 70 professions which ones met their strict criteria of eligibility for self-regulation.

The next phase of work will involve the 25 designated professions in the preparation of the legislation. The areas of work which must still be addressed include:

a) scope of practice definitions
b) entry requirements to the regulatory body (college)
c) continuing competency requirements
d) regulatory powers of the college
e) final form of the legislation

OSHA will continue to negotiate on behalf of Speech Language Pathologists and Audiologists in Ontario in this final and important phase of the review.

POLICY STATEMENT:

In compliance with federal and provincial regulations and the policy developed by the Executive, CASLPA/ACCA defines adequate advertising as:

a) publication of the position in Human Communication Canada;
b) publication of the position in the newsletter of the province in which the position is offered; and
c) publication in newsletters of neighbouring provinces whenever possible.

Advertisement having foreign training qualifications for positions in Canada will not be accepted.

CITY OF VANCOUVER SPEECH LANGUAGE PATHOLOGIST

POSITION:
Temporary full-time Speech Language Pathologist for six months from September 1, 1986 to March 1, 1987, to work at the Jericho Hill School for the Deaf in Vancouver, B.C.

DUTIES:
Functions as a member of a Health Team with responsibilities for the delivery of a comprehensive speech and language pathology program (both orally and in sign) to selected children. In this position the Speech Language Pathologist works closely with classroom teachers to provide services to the children.

QUALIFICATIONS:
Preferably a Master’s Degree in Speech Language Pathology with undergraduate qualifications in Education and experience with the deaf population. Competency in signing is mandatory for this position.

SALARY:
$2500 to $2981 per month; $1149.91 to $1371.15 bi-weekly (1985 rates).

CONTACT:
Apply in writing to:
Director of Personnel Services
City of Vancouver
653 West 12th Avenue, Vancouver, B.C., B5Y 1V4

This position is open to male and female candidates.
NOVA SCOTIA HEARING AND SPEECH CLINIC

SPEECH LANGUAGE PATHOLOGIST

POSITIONS (2):
The Nova Scotia Hearing and Speech Clinic is an agency having its main clinic in Halifax and 18 satellites throughout the Province. One of the positions available is with the Richmond School Board. This agency serves in a community pleasantly situated at the foot of scenic Cape Breton where it joins the mainland, equidistant from the grandeur of the Cabot Trail and the academic environment of St. F. X. The other position is with the Nova Scotia Hearing and Speech Clinic at a new facility in Glace Bay, the setting for the film "Bay Boy". The Clinic position involves preschool and adult populations, the School position involves school-age population. There is an Audiology facility associated with the program in Glace Bay and one very close to the Richmond Schools. Successful candidates will be responsible for assessing disorders, planning and conducting treatment and remedial programs, counseling and guidance to patients and their families. Our satellite clinicians act as resource persons in the communities in which they serve and function in well equipped facilities in a well organized program.

QUALIFICATIONS:
Applicants should possess a Master's degree in Speech Language Pathology and be eligible for membership in CASLPA.

SALARY:
Commensurate with experience and qualifications. Minimum $30,000.

CONTACT:
Send resume to:
George T. Mencher, Ph.D. Director
Nova Scotia Hearing and Speech Clinic
5599 Fenwick Street, Halifax, Nova Scotia B3H 1R2

NOVA SCOTIA HEARING AND SPEECH CLINIC (AMHERST)

AUDIOLOGIST

POSITIONS:
The Nova Scotia Hearing and Speech Clinic is a Province-wide agency responsible for audiology services from cradle to grave, having its main clinic in Halifax and 18 satellites. At our satellite facility in Amherst, our audiologist works with speech language pathology and secretarial support to provide services through a regional hospital. Located approximately 2 hours from Halifax, this excellent facility serves in a fair sized and attractive community at the border with New Brunswick, and is surrounded by areas for cross-country skiing, hiking, fishing, sailing, swimming, and, of course, a frequent visit to PEI. ENT services are available on a weekly basis. The Atlantic Provinces Resource Centre for the Hearing Handicapped is in the same community. The caseload at the clinic is varied, ranging from pediatrics to hearing aid evaluations. This is a well equipped facility functioning in a well organized system.

QUALIFICATIONS:
The applicants must have a Master’s degree in Audiology and must qualify for membership in CASLPA.

SALARY:
Competitive, commensurate with experience and qualifications, minimum $30,000.

CONTACT:
Send resume to:
George T. Mencher, Ph.D. Director
Nova Scotia Hearing and Speech Clinic
5599 Fenwick Street, Halifax, Nova Scotia B3H 1R2
SIMCOE HALL CHILDREN'S TREATMENT CENTRE

POSITION:
A full-time Audiologist is required for a regional children's treatment centre. The Audiologist, working within the Speech Language Audiology Department, is part of a multidisciplinary organization providing service to children 0—19 years of age within Durham Region and vicinity.

DUTIES:
The Audiologist is responsible for diagnostic assessment, program development, and consultation.

QUALIFICATIONS:
A masters degree in audiology and eligibility of OSHA registration is required. Own transportation is necessary.

SALARY:
Salary is competitive and commensurate with experience. Excellent benefits.

CONTACT:
Administrator
Simcoe Hall Children's Centre
600 Townline Road South

COCHRANE TEMISKAMING RESOURCE CENTRE

SENIOR SPEECH LANGUAGE PATHOLOGIST

POSITIONS:
Cochrane Temiskaming Resource Centre, a residential facility for people who are mentally retarded announces vacancies for senior speech language pathologist and speech language pathologist. Both positions require a Masters Degree in speech language pathology. These positions will provide a unique opportunity for innovative individuals to provide programs for our residents at the Centre and to work with other agencies and families within our catchment area.

Ability to provide technical supervision to subordinates is a necessity for the senior position. Incumbents must be willing to travel and have the use of vehicle. Bilingualism an asset.

SALARY:
Excellent salary and fringe benefits.

CAREER OPPORTUNITIES

ROCHESTER INSTITUTE OF TECHNOLOGY

CHAIRPERSON

POSITION:
Chairperson, Speech Language Department, Rochester Institute of Technology, National Technical Institute for the Deaf, Division of Communication Programs.

DUTIES:
Provide leadership in the development, implementation and supervision of an integrated program of aural/oral communication for the severely/profoundly deaf college students. The Speech Language Department, which has 14 FTE faculty members, is one of two departments which comprise the Speech-Language-Hearing Center within the NTID Division of Communication Programs.

The chairperson will work collaboratively with the chairperson of the Audiology Department. Responsibilities will include:

a. initiating, coordinating and evaluating the development and delivery of appropriate assessment procedures, individual speech therapy and group communication courses designed to enhance students' overall communication strategies;
b. supervising the delivery of Speech Language Pathology services;
c. ensuring the relevance of instruction to English language needs, personal social growth and technical career goals of students;
d. facilitating and monitoring research efforts of department faculty, related to the development and assessment of oral-aural skills; and
e. stimulating professional development among department faculty.

QUALIFICATIONS:
Candidates must possess an earned doctorate and have ASHA Certification in Speech Language Pathology. Experience in the development, delivery, and management of aural/oral communication programs and clinical services for severely/profoundly deaf individuals is preferred. Individuals should possess sign/simultaneous communication skills or be willing to learn sign communication.

Chairperson positions at NTID are considered to be senior faculty appointments and, as such, require a documented record of teaching, scholarship and clinical activities.

SALARY:
Compensation: based on experience; 10-month contract.

Review of applications will begin April 7, 1986, and the review will remain open until a sufficient number of qualified candidates are identified. Expected start of appointment is September 1, 1986.

CONTACT:
Applications and nominations along with curriculum vitae and the telephone numbers/addresses of three references should be sent to:
